(William Boosey.)

Ah, passionate, red, red rose, Asleep in her bosom so fair, You may well be red, being there Do you tremble to hear her faint heart beat With a neurmar of leve and longing sweet! Her heart- is ice, as her bosom is snow, Ah, red, red rose, shall I bid her go?

Her lips must have lain on thine. How thy being blushes and glows. Did they murmur to thee of life and love That are firm and strong as heaven above? Her lips are fire that burn to death. Ab, red, red rose, shall I die on a brenth?

Ab possionate, red, red rose,

With that ruby flush divine,

THE LIGHT FANTASTIC TOE. What a Fashionable Professor of Dancing and Deportment Says.

(Philadeiphia Times, ). There will be no radical changes or de-The german will this winter receive new im-Attorney-at-law. Office in Eagle block, over petus from several startling and novel figures to be introduced. Among them I may menbe introduced. Among them I may mention the roller-skate figure, which promises WANTED—A first-class coal maker is want-lor, at his store three cloose east of brown's anction house. None but first-class men need apply.

Might.

Or. W. S. McBurnie has opened roogs one like's south of Borgias aroune on east side of water street for the special treatment of all formal diseases. Hours—2 to 5 p. m. on Mon-apply.

distributions are side of which a monogram will be engraved. An almost endless variety of new figures are contemplated.

In waitzing, the fashionable Newport glide will become the favorite. The regular waltz gilds will remain the dames of a great many who do not follow the changes of fashion in dancing. The racquet will be in better favor this year among watchful meranas, the ster baying been brought down to the trois temps, which keeps the feet nearer the floor and robs the dance of the somewhat indecorous kick hitherto considered so objectionable The ripples a western step, will be not danced, while the doubte glide will have perhaps more admirers than ever. The Saralogu lancers will be one of the most popular dances this winter on account of its having been so much denced at the senshore during the summer. The minuet lancers will also be in favor on account of the easy grace of the

In qualrilles there will be added the coquette and caddflower figures, constitu terminating with the new year and Tempete figures. The Caledonian quadrille, a beautisenson's favorites. In Varsoviana, with the old masserian waltz step, will be revived course will make the step more graceful. The polka galog, a very interesting dance, without the laborious movement of the old polia, will be classed among the favorites, on use such of its easy grace of movement, The effect made by the Society of Professors of Dancing to secure uniformity in dancthe success that was approximed. The for inland ciries have proved stambles blocks with their desperooted provincial as and The Photographer. Pictures in all sizes and the prevailing styles. The successful season at Long benoch, Saratogn and Naragansett Pier, where dencing has been the race, will

ve great impetus to the winter's dan ing in Dying Lawyers. Hivery Other Saturday, I "I met the other day a little article on the difficulty of getting correctly the fast word Courts to and builders, on First street, west of great men, and referring particularly to County building William Pitt. It brought to my mind Daniel

> a the marter rested us no first reported and, I think, as publicly repeated by Mr. French. The true account, as a common to me very directly, is as follows: Mr. Webster willing to give a direct answer, rover sion, and in a clear and rather severe ton said: "Thy rod and thy staff! The fact, the fact, I want;" i. e., be wanted an answer to his question,"
> This remainds me of the last, or nearly the

> size replied. words did you use to say nothing the question then put by the great has yer and cross-examiner. In both these instant clear, penetrating intellect of the advocate

WORKING A WRECK.

The Interesting Process of Blowing a Sunken Steamer to Piecas.

Breaking Up the Hull of the Ill-Pated Columbus-A Fortune in Old Junk-Nitro-Glycerine.

[Martha's Vineyard Cor. Philadelphia Times.]

Standing among the huge boulders which he strewn along the beach under the varie upon the heaving and sighing which swell up from the Atlantic, for may be seen tossing upon the ever-moving orface of the waters less than a null di An uncouth-looking craft lies n anchor and two or three small boats are ric
